African Drumming

African Drumming Academy is the prime organization which cooperates with The International Centre for African Music and Dance (ICAMD) to promote African culture in Hong Kong. With the professional and systematic course design, we are now running the leading African Djembe (African drumming) courses from which students will have the firsthand knowledge of the unique rhythms in a festive learning environment. Since inception, African Drumming Academy has collaborated with more than 200 schools and organizations in Hong Kong to launch courses and events like regular long-term African Djembe courses, tailor-made short-term African Djembe courses, intensive African culture camps and workshops, etc.
